

Freedom Wheels

Affordable custom bikes, built to your or your child's needs.

freedomwheels.org.au

How does it work?

Freedom Wheels bikes can be fitted with a range of additional attachments to meet your or your child's needs. These attachments can include outriggers for additional stability, foot and leg supports, postural supports and seat belts to help your child stay in a safe riding position.

How do I choose the right supports for me or my child?

TAD's qualified therapists assess each rider to decide which bike and what supports are needed to meet their height, weight and therapeutic needs. Your therapist is encouraged to attend.

Free assessments can be held at our office in Northmead, at our days held around NSW or we can arrange to hold an assessment day at your disability service provider or child's school.

How much does it cost?

Every one is unique, and so is their Freedom Wheels bike. This means that prices will vary depending on your or your child's support needs.

You will be provided with a quote for the cost of the bike following your assessment with your TAD therapist. If you or your child has access to funding through NDIS, you may be able to use this funding to purchase a Freedom Wheels bike.

For those who do not have access to funding, TAD subsidises the costs through fundraising activities and donations, to help cover the cost of the bike for you or your child.

Call us on 1300 663 243 to discuss your options.

Steps to get your Freedom Wheels bike

1. Call us on **1300 663 243**, visit the **Start Riding** page on our website, or email us at **info@freedomwheels.org.au** to get your Freedom Wheels form.
2. Return your form by email to **info@freedomwheels.org.au**.
3. TAD staff will contact you to book in an assessment.
4. Have a free assessment with a TAD therapist, who will tailor a bike to you or your child's needs and provide you with a quote for the cost of the bike.
5. If claiming through NDIS, your therapist will need to do an NDIS form, we will help with this.
6. Approve the quote or receive NDIS approval.
7. Your Freedom Wheels bike will be delivered to you!
